FOREWORD

I take great pleasure in presenting my 1948 catalog to you my friends and customers. I am very grateful for the past season's orders and the fine cards and letters which you have written regarding our quality and service. I appreciate them very much and although I cannot personally answer all of them, I do thank you and will continue to give you the finest quality and service possible.

I have added a number of new varieties this year which after our trials seem worthy and merit your consideration.

I am presenting two of my own originations this year which I hope will please you. **BLUE LAGOON**, my 1946 introduction, is gaining in popularity every year and winning many blue ribbons at major shows. From all reports this should be the leading blue cut flower, as ability to make fine spikes under all conditions, plus healthy growth and good propagation tend to verify this.

All of the varieties that we list are capable of, and have won, many ribbons and awards at the shows. Most are outstanding as commercial varieties.

The following is my opinion of the newer varieties, listed in the order of my preference, as grown this year: White—**WHITE CHALLENGE**, **WHITE MAGIC**, **SILVER WINGS**, top three; very close, **IGLOO**, **WAX MODEL**, **SNOW CRUISER**, **ALPINE**. Cream—**LEADING LADY**, **ORIENTAL PEARL**, equally good. Yellow—**GOLDEN DRAGON**, **KLONDIKE**, **SPOTLIGHT**, **ELIZABETH MAIER**, hard to pick, all good and different shades; very close runners, **CRINKLE CREAM**, **COVENTRY**, **SUNNY DAY**. Buff—**SUNSPOT**, **GOLD STANDARD**, **SUSQUEHANNA**, a beautiful trio. Orange—**LARIME**, **DRUM MAJOR**, very little choice, both tops. **CHIEF PONTIAC** in giant class a sure winner. Salmon—**TITAN**, **SPIC & SPAN**, **VICTORY QUEEN**, **GENGHIS KHAN**, **MARION PEARL**, **MADELEINE BROWN**, **GAVOTTE**, take your choice, they're all tops. Scarlet—**HIAWATHA**. Pink—Another large class and many different shades, light to deep, all excellent; **CONNECTICUT YANKEE**, **PERSONALITY**, **TROJAN**, **EGLANTINE**, **SPITFIRE**, **SUMMER GAL**, **YANKEE LASS**, **CHERRY JAM**, **ALGOMA**, **DAISY MAE**, **DEBORAH SAMPSON**. Red—**MID AMERICA**, **ROYAL WINDSOR**, **GRACIE ALLEN**, **FIREBRAND**, **ANIMATION**, **CARNIVAL**, from the first to the last all extra; different forms and shades. Black Red—**MAURIE TREVAN**, **BLACK DIAMOND**, **BLACK PANTHER**. Deep Rose—**BURMA**. Light Rose—**VENIDA**, **MISS WISCONSIN**, **TRALEE**, different shades, all excellent. Lavender—**MINSTREL**, **ABIGAIL**. Purple—**LANCASTER**, **PURPLE SUPREME**. Deep Blue—**BLUE LAGOON**. Light Blue—**BLUE BONNET**. Smoky—**TUNIA'S MAHOMET**, **PERSIAN BEAUTY**, **HIGH FINANCE**, **TWILIGHT DREAM**, all extra but different types and colors. Any other color—**OKLAHOMA**, R. B.

Yours for a Glad Year,

G. V. SNYDER

1948 Introductions by Snyder

POINCIANA (Sdlg. 421507)

This cross of American Commander X Glamis is a rosy toned red with a slightly deeper rose red throat. The bottom petals have small white spears through their centers. The blooms, of which 8 or 9 will open at once, are lightly ruffled and fluted, taking somewhat the form of Glamis. Spikes are 56" high with flowerheads of 28" carrying 20 to 22 buds. The blooms are of giant size 5½" to 6". Poinciana makes plenty of bulblets which germinate and grow well. Showing it first time this year, also the first and only spike in bloom, Poinciana was champion seedling at Michigan State show. The 2nd spike cut two days later carried 200 miles to the Ohio show with 100 degree temperature had 9 open in good shape and was first seedling class. Also rated in top scorers Michigan Trial Gardens 1946.

Lg. \$5.00, Med. \$4.00, Sm. \$3.00, Blts. 60c (10—\$5.00) only with purchase of large or medium bulb (No discount)

CHIEF PONTIAC (Sdlg. 421103)

Bright smooth orange scarlet, almost self color, blends slightly deeper in throat. This cross of Grand Opera X Hindenburg's Memory is a real giant. It grows with ordinary conditions 5½ to 6 feet tall. Had it 6'3" this year. Always straight and with heavy dark green plants. Blooms are 6" or more with 6 or more open on long flowerheads of 18 to 19 buds. Spikes from small bulbs approximate those of other varieties from large bulbs. Makes a good amount of bulblets that germinate and grow well.

Bulbs any size \$5.00, 10 Blts. may be purchased with each bulb priced 10—\$5.00 (No discount)

PERSIAN BEAUTY (Knierim-Snyder)

A beautiful sport of R. B. which adds a new color in Glads. The color is Persian lilac blending out to rose taupe with a silvery gray edging on all petals. Visitors to the garden all raved over this one. This variety was segregated by Wells Knierim of Ohio and in conjunction with Gladridge Gardens we have purchased the stock from Mr. Knierim.

Any size bulbs \$2.00, Blts. 25c (10—\$2.00) (No discount)

From Fred Beardmore

BLUE BONNET (BLUE BEAUTY X MAX REGER) (80 Days)

Clear light blue with deep red violet feather, no flecking, opens 6 florets on 56" spikes. The blooms are 5½" and have seen it 6". Good propagator with healthy dark green foliage. I saw this at Tri-State and in Mr. Beardmore's garden and it certainly looked fine. Winner, 1947, of seedling champion, second day champion and color champion, Tri-State at Wellsville and seedling champion at Indiana State.

Lg. \$5.00, Med. \$3.50, Sm. \$2.00, Blts. 75c (10—\$5.00) (No discount)

From Leonard Butt of Canada

We are very happy to be able to present these new introductions from Mr. Butt. He has many fine varieties to his credit and know you will be pleased with these. The first two are miniatures, and are the first in this class we have catalogued, believing that most miniatures were not distinctive enough as to form and color. We were awaiting something with these qualities. From our observations of these varieties I believe we have it. Shown at the International in Binghamton, N. Y., they literally "stole the show."

Stock of these are not large, and we recommend that you order early. First orders will receive the largest bulbs, but as they are early you will get good bloom from the smaller bulbs.

BO-PEEP (CRINKLETTE X MIBLOOM)

Buff pink with a yellowish throat faintly dusted red. Very early, deeply ruffled and of heavy substance. Opens 5 to 6 florets of 3" size on 17" to 18" flowerheads with 17 to 18 buds. Spikes are about 40" high. Florets are most attractive in form and color.

Bulbs any size \$5.00 ea. (No discount)

TWINKLES (HARLEKIN X CRINKLETTE)

Dark orange pink on the outer petals with a deep yellow center on which are reddish lines. A very attractive color with blooms deeply ruffled and of heavy substance. Opens 5 to 7 florets on 38" spikes of 17 to 18 buds.

Bulbs any size \$5.00 ea. (No discount)

SNYDER'S "GLAD ACRES," CLAWSON, MICHIGAN

COTILLION (BEACON X J. S. BACH) (Mid-Season)

Deep pink with a creamy yellow throat. This is not a new color but the fact that it will open 10 and often more perfectly placed florets at once, makes it a valuable variety. A tall grower 55" high with 26" flowerheads of 18 to 20 buds. The slightly frilled florets are 5½". A few spikes may crook like beacon.

Bulbs any size \$3.00 ea. (No discount)

REDOWA (ADMIRAL X RED CHARM) (Mid-Season)

Bright scarlet red with darker red throat mark enhancing its beauty. Florets are 5" and slightly frilled. Opens 7 to 8 nicely placed on 55" spikes of 18 to 20 buds. Fine propagator, making cuttable spikes from bulblets.

Bulbs any size \$3.00 ea. (No discount)

BLUE BOY (JOSEF HAYDN X BLUE SDLG.)

Deep blue violet with deeper throat. A very fine attractive color. Only medium height plants about 43" but flowerheads are of good length, 23" with 18 to 20 buds. Opens 6 to 7 well placed florets of 5" diameter.

Bulbs any size \$3.00 ea. (No discount)

From L. G. Klein of Canada

ADORATION (PRELUDE X ZAUBERFLOTE) X PICARDY)

A "new" color being a pink orchid with a creamy throat, a perfect blend. A very popular florist glad as it blooms early and blooms out at once. Bulblets make saleable spikes. Opens 7 perfectly placed 5" florets on 54" spikes with 16 to 17 buds.

I wish to inform you how beautiful were the gladiolus blooms from the bulbs purchased from you. Every one more beautiful than the other. I surely am well satisfied and pleased and have enjoyed the blooms both outdoors in my garden and then when cut and brought into my home. I kept them to every top flower. I wanted to let you know I am a well satisfied customer and am looking forward to next year and the lovely gladiolus.

Mrs. H. M., Cleveland, Ohio

I wanted to tell you that all of the bulbs I have received from you have done unusually well, so I'm sending another small order. Your bulbs gave strong, tall stalks and fine blooms, the nicest I've had from any company; no disease or insects.

Mrs. F. C., McCracken, Kans.

My order arrived April 14, and will be planted as soon as this rain is over. Thanks for all extras, especially the two precious bulblets of Blue Lagoon. Bulblets usually do fine on my rich sandy loam, so next fall I should dig many bulbs from them.

Mrs. G. V., Lexington, Ohio

Received my order of bulbs today which were sure in a nice condition. Quality looked excellent. Size very good, and thank you so much for the very nice costly extras you gave me. Everything was just grand.

G. A. G., Worcester, Mass.

Glads came and all are fine. I thank you very much for good count, nice clean bulbs and gratis bulbs of Titan and Blue Lagoon.

L. B., Hightstown, N. J.

I received my order of bulbs from you and they are fine bulbs and thanks for the Blue Lagoon and Oriental Pearl.

R. W. D., Bethesda, Md.

Would greatly appreciate it if you would send me your '47 catalog. I was so impressed with the results from your stock last year that I would like some more. All varieties grew well and were outstanding in my garden of about 150 varieties.

Just wanted to tell you I had a very good crop of bulbs from the bulblets I ordered from you last Spring. I had some very beautiful spikes to bloom. Purple Supreme and R. B. gladiolus received more comments than any others.

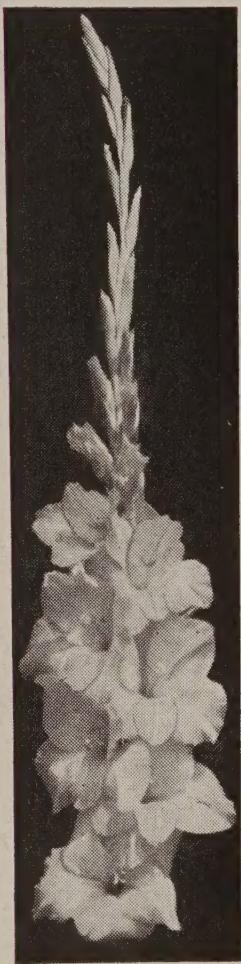

Mrs. M. H. G., Bailey, N. C.

Glad bulbs received in fine condition. Thanks for the extra. They look very nice and hope to have some good ones.
